

Ancient Tree Hunt faces public vote in semi-finals of National Lottery Awards 2009 – please use yours!

The ATH is one of just ten projects nominated for a National Lottery Award from among hundreds of entries. It will now face a public vote to find the Best Environment Project – and with just one no cost click or 5 pence call to you, you can vote for us now and send us into the top three for the final round of public voting from 3 – 14 August! The winner and the two runners-up will be announced live on a primetime BBC1 television show later this summer.

You can vote online or by telephone, at any time from today, Monday 22 June, until midday on Friday 10 July. Based on last year's figures, we need to get 180,000 votes to give us a chance of getting into the final three.

Simply go to www.lotterygoodcauses.org.uk/awards and click on the Best Environment Project category to cast your vote – **it won't cost you a penny!**

Alternatively you can call **0844 686 6302 (the dedicated Ancient Tree Hunt line)** to register your phone vote – a recorded message will be played to callers, confirming a vote has been cast (**calls will cost 5 pence from a BT landline**; calls from other networks may vary, calls from mobiles could cost considerably more).
